This application agrees to the terms and conditions that are stated in the By-Laws, policies, rules, and regulations of the Cooperative which are in effect at the present time and which may change from time to time as adopted by the Cooperative. The applicant agrees to pay reasonable costs and attorney's fees incurred by the Cooperative in the collection of any unpaid electric bills due to the Cooperative. The applicant also agrees to pay delinquent charges such as late payment charges, collection charges and return check charges as may be established by the Cooperative in regards to delinquent accounts. In addition, the applicant agrees to pay any recurring charges that may exist at the location for providing service to the premise.

Further, the applicant grants to the Cooperative, its successors and assigns, the right to enter upon, and to place, construct, repair, maintain, replace, or relocate thereon electrical distribution poles, lines, appurtenances, and other facilities, and to do all acts necessary in said construction, operation, maintenance, or repairing of said facilities at the sole discretion of the Cooperative. Necessary acts may include the cutting of all trees directly under any of the Cooperative's lines, cutting or trimming all trees within the Cooperative's 40' right of way (20' on either side of line), or removal of any obstacle that might become an object of interference in the construction, operation, maintenance or repairing of said electrical poles, lines, appurtenances, and other facilities.

Further, the Cooperative's employees shall have access to applicant's premise at all reasonable times for the purpose of reading meters, testing, repairing, removing, or exchanging any or all equipment belonging to the Cooperative.

Each party by affixing his/her signature below agrees that the above information is correct and agrees to the above stated terms and conditions and to accept full responsibility for the electric bill for this account. By signing the applicant agrees that if fees and other charges have been paid but service was not activated in a reasonable amount of time, the Cooperative reserves the right to void said application and contract at which time funds being held would be refunded to the applicant if service or parts of services are not rendered.

By signing this application the applicant authorizes the Cooperative to obtain credit information regarding the applicant from the trade references and credit reporting agencies. Based upon this information the Cooperative may require the applicant to make a deposit.
